Winter fox

PAGE 1 OF 14

It was a chilly winter morning.  
The family gathered in the living room  
as Katelyn found the big Winter Decorations box.

PAGE 2 OF 14

She opened it and pulled out  
a fluffy white polar bear,  
a little white fox,  
a shiny snow globe,  
and a book.

PAGE 3 OF 14

“Hey Olivia, remember the bear?” she asked.

Emma smiled, “Yeah — and the fox!”

Olivia nodded, “Yeah, JP the polar bear and Milani the fox!”

PAGE 4 OF 14

Katelyn asked,  
“Want me to read the book now?”

PAGE 5 OF 14

She shook the globe.  
Snow swirled inside,  
and she set it carefully on the table.

PAGE 6 OF 14

Katelyn opened the book  
and started reading to her sisters.

PAGE 7 OF 14

As she read, the story came alive inside the snow globe.

JP the polar bear and Milani the fox  
stood in their snowy village as the swirl settled.

PAGE 8 OF 14

They looked out  
and knew those faces right away.

PAGE 9 OF 14

Milani pressed close to JP.  
“That’s them,” she whispered.  
“Our family.”

PAGE 10 OF 14

The snow globe's magic let the sisters' wonder  
bring the village to life.  
JP and Milani walked past twinkling lights  
and a wreath on a tiny door.

PAGE 11 OF 14

“What’s that for?” Milani asked.

JP explained, “It’s a wreath—  
circles of green to welcome winter  
and remember that life keeps going even when it’s cold.”

PAGE 12 OF 14

The last flakes drifted down  
and settled.

PAGE 13 OF 14

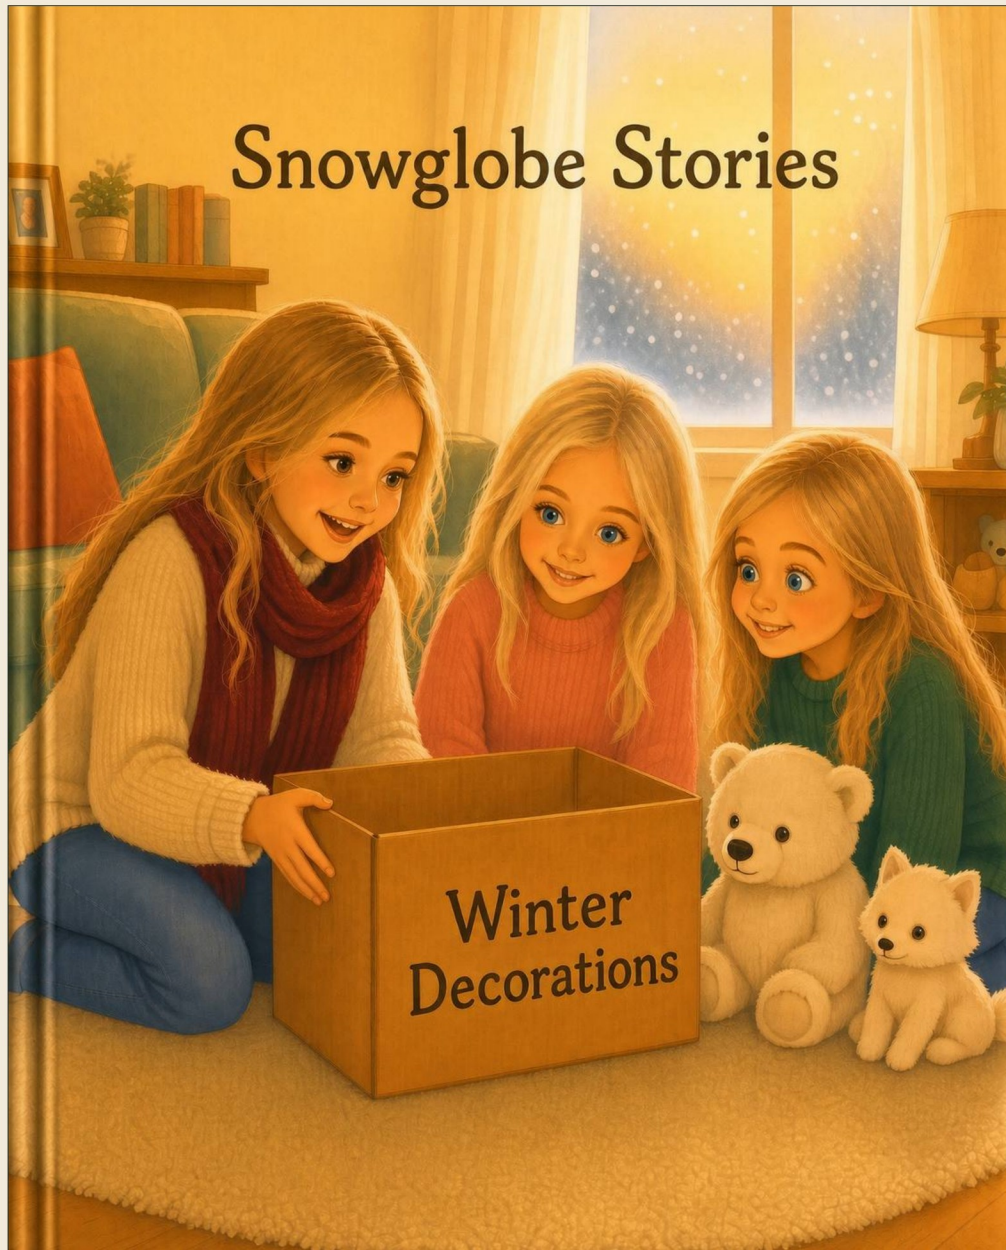

JP and Milani looked out  
at the girls' smiling faces.  
"See you soon," they said softly.

PAGE 14 OF 14

The globe went still.  
Back in the living room,  
Katelyn closed the book.  
“Want me to read it again?”

# The End
